

Downloading and Installing Office 2016 at Home

1. Login to your Outlook online at <http://mail.lmu.edu>.
2. Click on "Office 365" in the top left-hand corner of the screen.

3. On next screen, click on "Install Office apps" drop-down at right (ignore the Office icons on that page).

4. Click on the Office 2016 link to download and install the Office applications to your computer. You can install on as many as five different computers/mobile devices.
